YOUR Extraordinary Family Life: A Parenting Workshop

Tips and tools for creating more ease, joy, connection, and love every single day!

When you begin to know yourself deeply, understand your growing people, and make family life your very own, extraordinary things start to happen.

Join Carrie Contey, PhD for an informative and inspirational talk that will get you flowing as a family.

You will leave with the skills to:

- >> Minimize meltdowns (your kids and your own)
- >> Support your little ones when they are feeling big emotions
- >> Understand, read and respond to your child's brain state
- >> Tune into your own inner knowing
- >> Foster deep connections now, for great relationships later
- >> Know and choose what's right for you and your family

I started learning from Carrie when my son was a toddler. Carrie made brilliant suggestions that changed the tone and pace of how we went through our days. Carrie is funny and smart and she'll tell you the real deal straight out. She is my secret weapon and I can't imagine parenting without her. - JOYFUL MOM
